**SYMBOL OF PURITY AND REBIRTH**, the lovely and resilient lotus provides both decoration and inspiration at Amanoi in Vietnam. A carpet of white lotus flowers floats in a still pool surrounding a peaceful yoga pavilion at the center of the resort. They recall the plant's revitalizing capacity to flourish in new surroundings, mirroring the experience of guests at Amanoi.

The resort's off-grid design by Jean-Michel Gathy encourages guests to detach from distractions and fully engage with their surroundings. An elegant beach club, a cliffside pool, and the restful Aman Spa are among the property's focal points for relaxation. Solo travelers appreciate the opportunity to reflect, to reset goals, or to recharge energies diminished by stress. Groups of friends and family members of all generations discover the tranquility of nature at Amanoi to be a perfect backdrop for forging bonds and deepening connections.

象征纯洁与重生，可爱迷人但又展现顽强生命力的荷花，不仅是位于越南的安缇诺怡整个空间的装饰，更是酒店的灵感来源。一整片洁白的荷花漂浮在静止的水池表面，围绕着酒店中央的宁静瑜伽亭。这些水生花朵展现新环境中蓬勃生长的能力，同时也反映出宾客在安缇诺怡的休闲体验。

Offering a digital detox like no other, this luxurious retreat embraces physical and mental comforts, with groups engaging over board games and individuals escaping into music. For every guest, the natural beauty of the landscape and the sense of energy and space from the lakes and mountains all around conspire to work their restorative magic.

A selection of accommodations, from residences to private villas, offers guests at Amanoi a variety of experiences. Residences are stand-alone dwellings with large communal dining and living areas, situated for total privacy and carefully laid out for groups to spend time together. Infinity swimming pools with expansive decks create perfect gathering spaces. Private butlers attend to every need, including manning the kitchen, so that guests can dine together and bond over the resort's standout cuisine.

Executive Chef Pip Sandrey makes use of the very best local produce in Amanoi's restaurants and for private dining. "There's so much amazing stuff going on here, with lots of pocket industries. We get beautiful local produce like organic honeydew melons and amazing white and green asparagus. In London, I'd have to kill for it. Here, it's everywhere." Sandrey makes imaginative use of the abundance to craft both Western and Vietnamese cuisine, including classic dishes with a local touch.

这座奢华的度假村能让宾客在心心灵等各层面彻底放松、摆脱数码世界的干扰与压力；团体宾客能透过下棋、玩桌游来交流互动，个人则能遁入音乐的世界。对每一位宾客来说，美丽的自然景观和周遭湖泊山脉的能量与空间感，都在不知不觉之中施展潜移默化的疗愈魔法。

安缇诺怡提供从度假到别墅等各式住宿选择，让宾客得以享有不同的居住体验。庭院为独立的房屋，有大型公共用餐与生活空间，位置非常隐密，格局设计也相当体贴周到，能让团体宾客共度美好时光。无边无际的游泳池和宽阔的露天平台创造出完美的聚会空间。私人管家能满足所有需求，例如管理膳食，让宾客一起用餐，利用酒店提供的顶级美食来促进情感连结。

行政主厨 Pip Sandrey 在安缇诺怡的餐厅和私人订制用餐的料理当中运用当地最优质的食材。「这里有很多无与伦比的食材，小型农业非常发达，我们能取得品质绝佳的农产品，例如有机蜜瓜和完美无瑕的白色与绿色芦笋。在伦敦，我必须寻寻觅觅才能找到这种等级的食材。但在这里，根本就是唾手可得。」Pip 以极具想像力的方式，运用丰富的自然资源来烹饪西餐与越南菜，包括展现当地特色的经典菜肴。

The sympathetically designed villas blend into the natural surroundings, with Vietnamese architectural inspiration behind their gently curved roofs and traditional organic materials. Ideal for singles, couples, or very small groups, the villa design offers space to spend time together at the private pools or on the sundecks as well as private areas for retreat. Gorgeous bathrooms equipped with tubs and generous king-size beds create a perfect sanctuary conveniently close to the resort's beach and wellness facilities.

Spiritual nourishment is also available at Amanoi, including a unique chance for visitors to explore the mystic realm. In the company of a spiritual leader of the Cham people, whose ancestors trace back for centuries, guests can choose to participate in a sacred ritual designed to bring health, happiness, and good fortune.

It begins at sunset with a sacred blessing, after which guests are taken to a secret spot in the middle of the jungle. There, in a traditional house and accompanied only by soothing sounds of the forest, they enjoy a feast of local dishes prepared by a Cham family. The ceremony, which features songs and music played on traditional instruments, is an unparalleled opportunity to connect with and learn about the region's ancient indigenous culture.

Transporting people from their everyday lives to a serene and beautiful space for healing, contemplation, and transformation is the goal of Amanoi. And, like a lotus preparing to start a new chapter of life, guests come away renewed in mind and body. 11

和的弧形屋顶与传统的有机建材灵感都是来自越南传统建筑。酒店提供的别墅适合单身人士、情侣或小团体宾客入住。除了能在私人泳池或日光露台上共度悠闲时光，宾客也能尽情使用能够沉静身心的私人区域。华丽的浴室具备浴缸与宽敞的加大双人床，距离度假村的海滩与休闲运动设施只有咫尺之遥，俨然是放松休息的完美天堂。

安缇诺怡也提供精神上的滋养疗愈。宾客有难得的机会探索神秘灵性的领域。宾客能在占族精神领袖的伴随之下参加一场神圣的仪式，期望招来健康、幸福及好运。

仪式在日落时分以神圣的祝福揭开序幕，随后会移动到丛林中的一个秘密地点。在那里的一间传统古宅中，只有舒缓放松的林音相伴。同时还能享受由占族家庭准备的当地佳肴盛宴。这场仪式的特色是会有以传统乐器演奏的歌曲和音乐，宾客能借着这个绝佳的机会认识并了解该地区古老的原民文化。

将宾客从日常生活转移到一个宁静美丽的空间，加以疗愈、反思和改造蜕变，这就是安缇诺怡的目标。如同一朵准备迎接人生新篇章的盛放荷花，宾客在离开时，身心灵都仿佛重获新生。 12
